

**Return Update: June, 2021**

# Williamson Central School

## Attendance Model Update:

Beginning on June 1, 2021 our in-person students in grades K - 12 will attend school five days each week. UPK students will remain in the same HYBRID model from the start of the school year. Fully Remote students will remain fully remote for the remainder of the school year.

## School Day Schedule:

The school day will run with the same start and end times and the same daily schedule. Specials will continue to be provided.

## Safety Protocols:

The district will continue to follow all safety guidance. Students and staff will be required to wear masks at all times inside buildings when not able to socially distance. Students will also wear masks at all times on school buses or in common areas. Social distancing (6 feet) will be in place whenever possible. Students may have additional barriers in place when eating (snack/lunch). Cleaning and disinfecting will continue as a regular practice, with more attention paid to frequently visited locations. **Students, staff and spectators do not need to wear masks at any time while outdoors, but may choose to do so if they prefer.**

These changes to our return plan are done in accordance with the Wayne County Public Health protocol requirements, updated NYS guidance and the recommendations of our school medical director.

Please do not hesitate to reach out to your building administrators if you have any specific questions about the updated attendance model.
