Subject: Meetings of Committees of the Board of Education

All committees and/or sub-committees of the Board of Education must abide by the provisions of the Open Meetings Law.

Such committees must meet publicly, go into executive session only on a motion and only for one of the permitted topics, give advance notice of meetings, make public minutes and otherwise comply with all requirements of the Open Meetings Law.

The only exceptions to this policy are District Committee meetings called by the administration rather than the Board of Education and meetings of the Committee on Special Education.
