Subject: Sunday Activities

The Board of Education encourages and supports the concept of family days. Sunday is often considered a family day.

In keeping with this concept, all requests for building use on Sunday, which may involve the participation of the student body in the planned activity, will receive careful review. This review will be completed as part of the process of approving and granting use of the buildings as established by the Superintendent of Schools.

Adopted: Board of Education 1987

Approved: Board of Education
