

<h1>POLICY</h1>	2007	5630
	<b>Business Operations</b>	

**Subject: Facility Inspections**

The administration of the school system shall cooperate with officials conducting health, fire, bus and boiler inspections. The administration shall keep the Board of Education informed of the results of such inspections in a timely fashion.

The District should conduct an annual building and grounds inspection as part of the inspections program.

Fire Inspection: Commissioners Regulations 155.4

Health Inspection: Education Law Section 906

Approved: Board of Education  
June 26, 2002
