Subject: Screening of New School Entrants

The District shall provide for the screening of every new entrant to school to determine which pupils are or may be disabled, gifted, or have limited English proficiency. Such screening shall include, but not be limited to the following:

- a) A physical examination in accordance with Sections 901, 903, and 904 of the Education Law, including proof of immunization as required by Section 2164 of the Public Health Law;
- b) A language development assessment.

If such screening indicates a possible disability, a referral shall be made to the appropriate committee.

If such screening indicates possible gifted abilities, the name and finding shall be reported to the Superintendent of Schools.

Parents shall have access to the screening results and obtain copies upon request.
