	<b>Students</b>	

**Subject: Supervision of Students**

Pupils working on any activity must be supervised by the school employee in charge of the activity. This applies to all activities and the permission to hold practices or meetings must not be granted unless a school employee is definitely in charge.

- (a) Coaches and physical education supervisors in the school district will be fully responsible for the supervision of all pupils in either their class or their after school activities. The coaches will be responsible for providing appropriate supervision over the dressing rooms during the dressing periods.
- (b) Teachers and/or assigned school personnel in the elementary grades will be responsible for the playground supervision of all the children under their jurisdiction during the recess periods. The principal will distribute the responsibility so that the playground situation will be properly controlled.
- (c) Pupils are not to be permitted in a school building before or after a scheduled event unless the school employee in charge of activity is present to supervise.
- (d) Pupils should not be unsupervised on school grounds while waiting for transportation after a scheduled activity.
