Subject: Identification and Register of Children with Disabilities

The policy of the Board of Education is to conduct a census in order to have all children with disabilities within its jurisdiction under the age of twenty one (21) identified, located and evaluated, including children of preschool age and children in all public and private agencies and institutions within its jurisdiction.

Persons involved in the collection of data must receive prior training and written information regarding data collection procedures.

It is the policy of the Board of Education of the Williamson Central School District to maintain a register containing the data requirements as indicated in the Commissioner's Regulations.
