Subject: Special Education Programs and Related Services

The Board of Education recognizes its responsibility for providing special education and related services which meet the individual needs of disabled students. In an effort to achieve this goal, the Board shall arrange for an appropriate special education program for each disabled student upon receiving from the Committee on Special Education (CSE) recommendations for special education services. The CSE shall provide the Board with a written evaluation for each disabled student, which includes:

- a) Identification of disabling condition.
- b) Recommendation(s) for a special education program and/or related service(s).
