

<b>POLICY</b>	2008	8510
	<b>Instruction</b>	

**Subject: Students with Disabilities Participating in School District Programs**

All students with disabilities residing in the district shall have the opportunity to participate in School District programs, including extracurricular programs and activities, which are available to all other pupils enrolled in the public schools of the district.

- a) All Building Administrators shall be made aware of the students with disabilities residing in the attendance area of their schools by the Committee on Special Education. This list shall be sent in early September of the current school year and updated periodically throughout the school year.
- b) School District Programs, such as extracurricular sports, clubs and all other activities will be extended to students with disabilities according to standard school procedures.
