**Subject: Committee on Special Education/Committee on Preschool Education**

The Board of Education shall appoint a Committee on Special Education and a Committee on Preschool Special Education. These committees shall be comprised of a teacher or administrator of special education, at least one regular education teacher of such child (if the child is or may be participating in the regular education environment), a school psychologist, a physician, and a parent of a student with disabilities residing in the District, as well as such other members as the Board of Education or legislation shall designate.

At the discretion of the parent or the District, other individuals who have knowledge or special expertise regarding the student may be included. The determination of knowledge or special expertise shall be made by the party (parents or School District) who invited the individual to be a member of the committee.
