The December 23, 2009 meeting of the Williamson Central School District Board of Education opened with the Pledge of Allegiance and a moment of silence.

Board Committee Reports included reviews of the holiday vocal and instrumental concerts with the Board commenting on how wonderful all of these events were and how well the students performed. Information was also provided on the PTSA Parent Sessions and the Chamber of Commerce Craft & Business Expo. The Board also reviewed an outline of the Governor’s mid-year state aid school revisions, which at the present time includes deferring some state aid payments. The concern with the process is twofold—will these holds become permanent cuts and are the cuts equitable across districts. Since some districts are much more dependent on state aid, therefore the effect on the budget varies greatly from district to district.

The Board approved several CSE Case Summaries and the Consent Agenda which included the resignation of several individuals and appointments of the Alden Homner, Junior High Wrestling coach, Kari Miller, 1:1 aide at the Middle School and Joanna Alexander, Teaching Assistant at the Elementary School.

Under Old Business, the Board approved the second reading of Policy 5673 – Medicaid Compliance Disclosure. Under New Business, the board approved Budget Transfers for the 2009-2010 School Year.
