Dear

Welcome to Kindergarten!

On Tuesday, September 7th, the Kindergarten classrooms will be open from 10:00 - 11:00 a.m. You and your parents can stop in any time during that hour to see your room and meet your teacher. There will also be a school bus available to take you on a short ride.

There are some things you need for school. To eliminate confusion in the classroom in the afternoon on the first day of school, please bring these items with you at the time of your classroom visit.

You will need:

**Labeled items:**
- A small, washable rug or blanket to rest on. It must be small enough to fit into an 8" square cubby.
- One box of 16 crayons. Please put the crayons in a sturdy container with cover (must be able to fit inside an 8x11" cubby). No scented, glitter or neon crayons please - "basic" colors only. Please have your mom or dad write your name or initials on each crayon.
- A change purse that is easy for you to open and close.
- A LARGE tote bag or backpack for papers and art projects. It should be about the size of a large brown grocery bag. **No rolling backpacks please!**

**Non-labeled items:**
- A paint shirt. An adult's old t-shirt works best.
- 1 large box of tissues (for the classroom to share)
- 5 sharpened, yellow #2 pencils (Ticonderoga or Rose Art please!)
- 8 glue sticks (preferably disappearing purple - any brand).

We are looking forward to seeing you on September 7th!

The Kindergarten Teachers
