

Project 2017 and Beyond!

A Williamson Community Scholarship Fund

Williamson Central School District

In 2008, the Williamson Central School District launched an ambitious fund-raising drive to a scholarship to students in the Class of 2017 that receive an Advanced Regents diploma plus have taken at least one college level course during high school. Our efforts are paying off, but to reach our goal of \$10 million we still have some work to do.
