The Williamson PTSA is not only an organization that raises money through fundraising, it is a parent, teacher, and student association that works to provide the best programs, events, and activities for the children attending Williamson Central Schools.

Enjoy the Benefits of Membership

The number one reason to join the PTSA is to benefit your child. In doing so, you also help your school. But there are other advantages, and here are just a few:

Get Connected - There's no better way to know what’s happening in your school.

Speak Up - Because the PTSA is a forum for exchanging ideas, you are encouraged to make suggestions. As a member you can more effectively suggest and vote for change at your child’s school.

Be a Role Model - By becoming a PTSA member, you’ll be demonstrating to your child(ren) the importance of education and volunteering in your community.

Witness Improvement - As a member you’ll be part of a solution, helping to make positive changes. The PTSA fundraising program plays an important role in programs and events that are vital to a school’s success.
