Subject: School Bus Monitors and Attendants

In accordance with Education Law and Commissioner’s Regulations, the employment of each school bus monitor and school bus attendant shall be approved by the Superintendent of Schools for each school bus operated within the School District. Approval for employment as a school bus monitor or attendant shall be in writing on a form prescribed by the Commissioner of Education.

As defined in Commissioner’s Regulations:

a. A school bus monitor shall mean any person employed for the purpose of assisting children to safely embark and disembark from a school bus, which is owned, leased or contracted for by a public school district or board of cooperative educational services, and for the purpose of assisting the school bus driver with maintaining proper student behavior on such bus.

On order of the Superintendent of Schools, each monitor or attendant may be examined by a duly licensed physician within two (2) weeks prior to the beginning of such monitor’s or attendant’s service in each school year. The written report of the physician shall be considered by the Superintendent in determining the fitness of the monitor or attendant to carry out his/her functions. The examining physician shall require the monitor or attendant to undergo any diagnostic tests that are necessary to determine the physical and mental ability of the monitor or attendant to perform his/her duties.

A school bus monitor or attendant who fails any portion of the physical performance test shall be deemed unqualified to perform the duties of that position. The monitor or attendant may request a re-examination. The cost of such re-examination shall be borne by the employer if the monitor/attendant passes the re-examination, or by the monitor-attendant if he or she fails the re-examination.

All school bus monitors and attendants shall meet the qualifications and/or certification requirements as enumerated in law and/or Commissioner’s Regulations. Further, pursuant to Commissioner’s Regulations, school bus monitors and attendants shall receive pre-service instruction, safety training, specialized training, and refresher training.

In addition to such instruction, any person employed on January 1, 2004 as a school bus monitor, or as a school bus attendant serving students with a disabling condition, shall, by July 1, 2004, receive instruction as prescribed by the Commissioner upon recommendation of the Commissioner’s School Bus Driver Instructor Advisory Committee relating to special needs transportation, including, but not limited to, the proper techniques for assisting disabled students in entering and exiting the school bus.
