**PLEASE NOTE – INDIVIDUAL TEACHERS (CORE OR SPECIAL AREAS) MAY REQUIRE ADDITIONAL SUPPLIES SPECIFIC TO THEIR SUBJECT AREAS.**

- Williamson Middle School Student Agenda Book (SAB) will be provided by the school.
- Please have your child write his or her name on all supplies, where possible, with a permanent marker at home.
- We recommend buying “Durable” or “Heavy Duty” binders if possible because they tend to last longer.
- Supplies get used up, lost and/or damaged so you may need to buy additional items during the school year.
- The district suggests that parents consider buying a calculator for homework and consistency of student use. If a calculator is needed in the math classroom one will be available.
- The lockers measure approximately 11” wide by 10½” deep. We have found that Trapper Keepers, 3” three ring binders and wheeled backpacks do not fit in the lockers. Please keep this in mind when purchasing school supplies. All backpacks and large bags must be kept in lockers.
