Greetings!

We are excited to announce that we are now offering the convenience of online registration through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our high school and middle school sports programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

Today, we invite you to complete our Fall Intent to Play registration form. This is a simple sign-up to show your athlete's interest in participating in a Fall sport and to help the Health Office prepare for an efficient clearance process. The **OFFICIAL SPORTS SIGN-UP** for high school sports will open on July 17, 2017 and for middle school sports on August 7, 2017. NY State law requires that sports registrations be reviewed by a health professional within 30 days of the start of the season.
