*Graphing Calculators - **If you are purchasing a new calculator**, we recommend the TI-84+CE model. They feature color screens and rechargeable batteries. If you are **acquiring a "hand me down" calculator** any model of TI-84+ will be adequate for the initial HS math courses. but only the CE models continue to be updated by TI so students may not have access to all the features of a CE model. Please do not purchase older calculator models.

Technology

All Project Lead the Way (DDP, Digital Elec. POE, CEA) courses require a folder to be left in class

Math All math classes: graphing calculator*, colored pencils, ruler, binder AND

Algebra: 3 sub. spiral notebook, pencil pouch to hold colored pencils and calculator

Geometry: compass (MAPED brand holds up the best) and spiral notebook

Algebra 2: 2 or 3 subject spiral notebook (can use folder instead of binder)

Pre-Calc Gemini: a spiral notebook
