Trombones= slide oil and small slide spray bottle

Percussion= Vic Firth SD general sticks and hard plastic mallets

All math classes: graphing calculator\*, ruler, binder AND

Geometry: compass (MAPED brand holds up the best)

Algebra 2: binder or folder

\*Graphing Calculators - **If you are purchasing a new calculator**, we recommend the TI-84+CE model. They feature color screens and rechargeable batteries. If you are **acquiring a "hand me down" calculator** any model of TI-84+ will be adequate for the initial HS math courses. but only the CE models continue to be updated by TI so students may not have access to all the features of a CE model. Please do not purchase older calculator

Please note- we have dozens of binders in good quality here at the high school that we have collected over the years. We will set them out on a table the week before and the week of school-first come-first served. Feel free to take a binder instead of purchasing one.
