

Notice to Parents

New York State law allows parents and legal guardians of a student to request the effectiveness scores and final ratings of teachers and principals to which their student is assigned for the current school year. The information is intended only for the use of the requesting parent or legal guardian. Requests for this information must be made in writing and must be submitted to:

Marygrace Mazzullo, Assistant Superintendent for Instruction
Williamson District Office
PO Box 900
4184 Miller Street
Williamson, NY 14589

This information may only be released to parents or legal guardians and the District will verify that any request received has been submitted by the parent or legal guardian. At the time of scheduled appointment for the release of scores, a photo ID will be requested and the information on the provided ID must match the parents/legal guardians listed in the student's record. Ratings will be provided to parents orally and an explanation of the effectiveness ranges will be reviewed.

Teacher and principal ratings are not considered public information. By law, this individual information may only be released to parents/guardians and only for their children's assigned teachers in a current school year. It is not subject to the Freedom of Information Law or FOIL requests, a process that reporters and other individuals can use to access public records.
